

City of Dillon Council Policies

Spending Authority

(A) If the Mayor or the Director of Operations determines that an emergency exists in the City of Dillon, there shall be no limitation on the amount of money that can be spent on such emergency conditions provided such expenditures are guided by reasonable determination made by them. However, such expenditures will be presented to the Council at the next regular meeting and explained by the Mayor or Director of Operations.

(B) The department heads and committee chairperson or the Mayor shall be governed by the rule of reason in regard to all expenditures, and such expenditures shall be subject to explanation by them to the City Council.

Passed by the council November 1985
